The Saint Lawrence After School Program (ASP) would like to welcome you to our extended day activities.

The hourly fee charged for the full-time student is \$10.00 per student.

The ASP will operate every school day from dismissal until 5:30 pm. The ASP is open on early dismissal days (unless specified). On these days, please provide lunch for your child (no fast food is allowed to be brought in). You can pick up your child at any time during ASP operational hours, you will be billed accordingly. **Our program closes at 5:30 pm, (PLEASE BE ON TIME. THERE WILL BE A \$10.00 LATE FEE APPLIED FOR EVERY 30 MINUTES YOU ARE LATE PICKING UP YOUR CHILD).** If any child is left at the program for more than 30 minutes after closing, names from the emergency contact will be called until someone can make arrangements to pick up your child. If you are going to be late, please call Mrs. Kristant at (203) 641-7369.

The ASP will not operate on any non-school days, including vacation days, holidays, or snow days. In case of unplanned early dismissal due to bad weather, the program will operate unless you are notified by a phone call by the ASP staff. If conditions are deemed extremely hazardous, the program will close. You will not receive notification if the program will continue to operate. Please make sure you have provided an emergency contact of someone who will be available to pick up your child in the event of an early closing, especially if you feel it will be difficult to reach you.

The main office handles the billing for the ASP. The office will bill you weekly to the email we have on file with the total you owe. All payments should be paid weekly to the main office. Payments accepted are cash or a check sent to the office in an envelope marked "ASP Payment". Make sure the family name is either on the envelope or a note inside so that we know who to credit the payment to. Credit/debit cards are also accepted by calling the main office (203) 933-2518. **All payments must be kept current, if you should fall behind on payments your child(ren) will not be able to attend the ASP until the balance is paid.**

Any students NOT attending the program on their regularly scheduled day must have a note (or preprinted form that you can request from Mrs. Kristant in the after-school). This should come from the parent/guardian addressed to both their teacher and the ASP staff. This also applies for a student who needs to attend the program on a day that they are not scheduled to attend. This is especially important for the children who come on an as needed basis. Failure to do this results in a lot of confusion, so please be mindful of this practice.

OVER

Parents picking up their Child(ren) from the after-school program are asked to enter the school parking lot via the Main Street entrance. In this manner you will be able to see if the children are using the playscape.

If the children are not outside, proceed out the Union Ave exit (gate) and park anywhere along Union Ave. Use the door that is at the exit of the parking lot, ring the bell and one of the after-school ladies will greet you. (For the safety of staff and students, no adults will be allowed inside. Your child(ren) will be brought to the door). Each student must be signed out to a parent or someone who is designated on the release form (if someone that is not on the release form ASP will need a phone call or note from the parents with the individual's name). NO student may sign themselves out. ***PROPER IDENTIFICATION WILL BE REQUIRED FROM ANY PERSON UNKNOWN TO THE AFTER - SCHOOL PROGRAM STAFF.***

Students must come to the ASP with a change of play clothes (no dresses) and sneakers (only sneakers are permitted). Please remember that some of our projects are messy, so do not send your child(ren) with new or "good" clothes. Your child(ren) will NOT be able to play outside in their school uniform or shoes. Gym clothes are Permitted. All school uniforms and apparel should be labeled with your student's name. This will make it easier for us to keep track of individual student's uniforms.

Every after-school student will need his/her own "pencil box or container" with the following items: crayons, pencils, glue sticks, safety scissors, colored pencils. This is important due to our continuing effort in keeping everyone safe during this COVID-19 pandemic.

On early dismissal days provide your child(ren) with a lunch (please refrain from bring in fast food ie. McDonalds, Burger King etc.). Snacks and drinks will be provided for your child(ren) daily. There are no peanut butter or nut products allowed at the ASP. If your child has any dietary restrictions, please see Mrs. Kristant.

Please be sure to read, understand and sign the attached ASP disciplinary form, emergency form and any other applicable forms, and return them as soon as possible. It is important that we have complete information on your child(ren) at the After School Program. We do not have access to any information kept at the school and it closes at 3:30 pm, which is why we need these forms specifically for the ASP.

If you have any questions or concerns, please feel free to call Mrs. Kristant, Director of the after-school Program.

Thank you!

After School Program Disciplinary Policy

If a child chooses to misbehave after a verbal warning, she/he will be put in a five-minute time out, seated in clear sight of an adult and not participating in any activity (any child under the age of 5 will receive a time out according to their age). If the child chooses to continue to misbehave, her/his free play privileges may be revoked for the remainder of the afternoon.

In the case of more serious disciplinary matters such as kicking, fighting, hitting or being disrespectful to one of the adult supervisors, the student may immediately lose their play privileges and parent / guardian notification will follow.

If there are repeated and persistent disciplinary issues, the family will be asked to meet with the After School Program Director and the Principal. Saint Lawrence School reserves the right to revoke the child's privilege of being enrolled in the program.
